

KHAAD BHARAT: Distributor & Dealer Kit

Partnering with JSL Enterprises for Sustainable Agriculture

1. Corporate Mission

JSL Enterprises (Delhi, India) was incorporated in 2020 with the mission to restore organic vitality to Indian agricultural fields and support rural farming communities. KHAAD BHARAT is our flagship product line focused on carbon-negative soil amendment. We partner with agricultural dealers, nurseries, and cooperatives.

2. Dealership & Partnership Criteria

- * **Authorized Outlets:** Dealers must possess valid agricultural retail licenses and business registrations.
- * **Storage Facilities:** Minimum 150 sq. ft. of covered, dry storage space to protect biochar inventory.
- * **Minimum Order Quantity:** Direct supply requires a minimum order of 2 metric tons for dealer-direct pricing.

3. Logistical Timelines & Logistics

JSL Enterprises operates hubs across North India (NCR, Haryana, Punjab, Rajasthan). Orders are dispatched within 24-48 hours. Shipments are packed on pallets in standardized 5kg, 20kg, or 50kg bags to facilitate easy transport and inventory tracking.

4. Distributor Benefits & Marketing Support

- * **Promotional Banner Kits:** Free display banners, product posters, and technical brochures in Hindi and regional languages.
- * **Farmer Outreach Support:** Our technical experts conduct free 'Khaad Charcha' village meets in your region to educate local farmers.
- * **Dealer Margin Structure:** Attractive, multi-tier discount structures based on quarterly order volumes.
